Can I Download Game Off Xbox To Put On Another Xbox

One last solution, and better yet - just fix the Xbox. Or can I download a game on one Xbox and play it on the other?
JAYDOG78, Dec 14 I found a workaround that lets my kids use my games on their Xbox, while I can still play the same games on my.. The HDD will act like a standard PC one, and you can easily FTP its data to another Xbox (but again, it will need to be modded to use DLC / Live games).

if i buy a game on xbox can i play it on another xbox

if i buy a game on xbox can i play it on another xbox, transfer xbox game to another xbox, can you transfer xbox game data to another xbox, copy xbox game to another xbox, can i play my games on another xbox one, if i buy a game on one xbox can i play it on another, can i play my xbox one game on another console, can you share games from one xbox to another
